2:15 pm	Mee-Yung Shin	Meeting close

# VIRTUAL 2025!

ANNUAL SURVEILLANCE WORKSHOP

10-11 June 2025

Session 2: Surveillance program updates

Plant Surveillance  
Network Australasia-Pacific

# Q&A

# Workshop Break

Session will resume at 12:55 pm (AEST)

Please provide your feedback on today's workshop via the survey:

# Q&A

# PSNAP Coordinator Updates

- Workshop recordings
- Feedback – thank you for helping to shape future professional development and networks activities!

**Australian Government**

**Department of Agriculture,  
Fisheries and Forestry**

The **National Plant Biosecurity Diagnostic and Surveillance Professional Development and Protocols Projects** are coordinated and delivered by Plant Health Australia (PHA) and are funded by the Australian Department of Agriculture, Fisheries and Forestry (DAFF).

The objectives of the Projects are to enhance and strengthen Australia's diagnostic and surveillance capacity and capability to identify priority plant pests that impact on plant industries, environment, and the community.

# Acknowledgements

- Plant Surveillance Network Working Group (PSNWG) and Subcommittee on National Plant Health Surveillance (SNPHS)
- DAFF program team
- Plant Health Australia: Lorissa McCosh, Harsh Garg, David Lovelock, Rohan Burgess, Bianca Rodrigues Jardim
- **Network members, workshop participants and presenters**

# Meeting close
